The OER Guidance for Schools was produced in partnership with [Leicester City Council](#), as part of the [DigiLit Leicester](#) project. The guidance aims to support school staff in understanding and making use of open licensing, and creating and sharing their own Open Educational Resources (OER). The Guidance is available at <http://schools.leicester.gov.uk/openeducation> and consists of four main Guidance documents, as well as a range of supporting documents.

The Guidance is released under a Creative Commons Attribution 4.0 International licence (CC BY 4.0), so that it can be shared and adapted openly, as long as attribution is given. To facilitate adaptation, editable versions of the all documents are available in the present zip file ([OER\\_Guidance\\_for\\_Schools\\_editable.zip](#)), in docx and odt formats. InDesign files and other graphics for G1-G4 are available in a separate zip file: [OER\\_Guidance\\_for\\_Schools\\_publish.zip](#).
