

Encouraging People into the Energy Industry

**Luke Jackson – Energy
Projects Manager**

A little about me...

- Passionate about the environment and energy
- Ambitious and committed to making a difference
- A-Levels in humanities
- Degrees in International Politics (environmental focus)
- 8 year's experience in environmental roles:
 - Environmental Consultancy in London
 - Olympic Delivery Authority – Sustainability Team
 - Energy efficiency investment fund manager
 - National Housing Association Sustainability and Energy Manager
 - Energy Projects Manager at Nottingham City Council

Nottingham energy and waste strategies – big messages

- 26% reduction of carbon dioxide by 2020 emissions against 2005 levels.
- 20% of the City's own energy generated from low or zero carbon sources.
- Tackling Fuel Poverty
- Reducing waste, maximising energy recovery
- Commercialism / income generation

What Type of Jobs are Available in the Industry?

Are They Interesting??

What are the Boring Bits??

How Much Can You Get Paid?

How do I get into the Industry?

How Long will it Take?

What Can Nottingham City Council Offer you?

Robin Hood Energy

Prioritising People, not Profits

Companies we own (or part-own)
