NEW PROCESSES:

- One form for EH & SC referrals
- Practitioner to make a call prior to filling out online referral form
TEL: 0116 454 1004
- Online form (See link)
- For EH - Verbal consent required at this stage, form has been simplified.
- A lead practitioner is identified to be the main contact for the family to co-ordinate the plan and ensure objectives are met
- A team around the family approach (physical or virtual) is underpinned by a plan and regular review demonstrating outcomes.

FOR LCC STAFF ONLY:

Phase 1:

- New referral form which will appear online and on Liquid Logic Early Help Module Allocations Hub which filters our EHA cases
- External partners will no longer be recording on LL but will have read-only access
- Advice point – Will now remain open for a maximum of 6 weeks, and incomplete work must go into the cluster advice tray for other staff members to continue working with.

Phase 2:

- Will involve amendments of the assessment, closure reports
- Focus on TAF meeting
- Build of the traded Family support/Joint working/Supporting an external led EHA
- No TAR cases will be allocated as of 30th September, further details provided nearer to the time.
