

Salix Programme Newsletter

Leicester
City Council

July 2021

Welcome to the latest edition of the Salix Programme newsletter. This time, meet the wider team working on the Salix Decarbonisation Programme, and find out more about our contractors and recent progress on project sites in Leicester.

Meet the wider team

Leicester City Council has commissioned Perfect Circle, who specialise in property, construction and infrastructure consultancy, to deliver the Salix programme of works. Perfect Circle have appointed Briar Zenengi to assist with the delivery of the decarbonisation works. There are a number of consultants, some of which you may have met on their visits to your site to conduct surveys.

Michael Bowler
Director

Paul Gibbs
Associate Director

Kieran McGrath
Structural Engineer

Rikesh Parmar
Principal Building Surveyor

Ian Lambert
Senior Project Manager

Shirley Ashford
Associate

Ben Foster (Briar)
Design Manager

John Preece (Briar)
Senior Mechanical engineer

Contractors

A variety of contractors will be working to implement energy efficiency measures across the 93 Salix project sites, with some specialising in specific technologies:

ESL (Energy Saving Lighting)
Specialised in the replacement of existing lighting with more efficient LED lighting.

Metric Services
Specialised in Building Energy Management Systems (BEMS) to control heating and ventilation equipment

Contractors delivering roofing works, fenestration (window) works, Photovoltaic (PV) installations, Air Source Heat Pump installations, insulation upgrades and contractor design works:

J Tomlinson

Olivet Construction

Seddon Construction

NMCN

CBES (City Building Engineering Services)

Lucion – Hazardous Materials

Site Surveys

Contractors on behalf of the City Council have now completed site surveys which took place to determine the feasibility of energy efficiency measures at all Salix project sites. Sites surveyed in the last two weeks included Sandfield Close Primary School, Spence Street Gym and Pool, and Fosse Neighbourhood Centre.

Sandfield Close Primary School

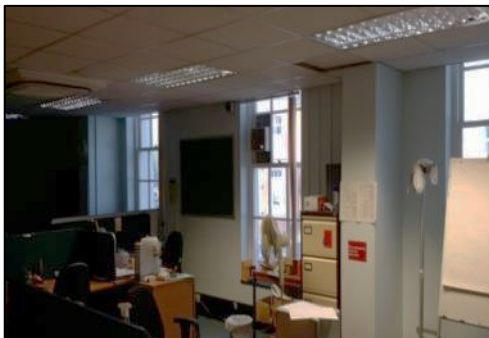

Spence Street Pool

Fosse Neighbourhood Centre

Works Carried Out

Works took place last week to replace existing lighting at Phoenix House (city centre) with new energy efficient LED lighting.

Existing lighting

New LED lighting

Contact Us

Each site has a dedicated project manager (Alan Evans or John Squires), however if you have a general question or need to get in touch with the Salix Project Team email us at Salix.Project.Team@leicester.gov.uk
