

BESS Energy Core 2022-23

12 Month Subscription

Worried about increasing energy costs? Wanting to save money and improve your environmental credentials?

Energy and water make up one of the biggest spends for schools after staffing. Leicester City Council has worked closely to develop an offer as part of BESS schools to **develop tools and reports to empower staff and students to take control** of their energy and water use.

This offer is open to all schools in Leicester City at cost price as part of our Climate Emergency Declaration commitment

What is included in the service:

- **Monitoring equipment installed and maintained** (main meter gas or district heat, water, and electricity) throughout your subscription
- Access to **DynamatLite2050**, the updated half-hourly energy and water monitoring website used by Leicester City Council for your own unique data
- **Identification and reporting** of excessive use/wastage (phone and email)
- **Annual energy and carbon** report which identifies trends in data and potential savings over 5 years (subject to data availability) *and up to one hour Teams walkthrough of the report*
- **Data report for Academies** – Streamlining Energy and Carbon Reporting (SERC) as required (saving £150)
- **Provision of data** for school's preferred DEC provider
- **Regular updates** via email and Teams online

*“Through monitoring our water, we identified a leak which could have cost us hundreds of pounds had it not been spotted” **Business Manager, Leicester***
