

Sunflower Growing Competition

The sunflower growing competition is back this year!

This year we have expanded the competition to include the opportunity for all schools including primary, secondary, and SEN schools

Who would benefit from this project: All Leicester City schools (and county traded schools) interested in growing

- Please sign up by **9 April 2023** via the [Sunflower Competition](#) link.
- Schools will receive seeds via the post by the **end of April 2023**.
- All resources will be put on the extranet and emailed to schools.
- Children are encouraged to take plants home to grow over the summer, however, they can also be grown at school.
- In **October 2023** you will need to weigh your sunflowers and email photographic evidence to GrowYourOwnGrub@leicester.gov.uk
- **There will be prizes for first, second, and third place!**
