

Free Webinar: Creating your Climate Action Plan

Event Details:

Date: Tuesday 29th October 2024

Time: 4.00pm - 5.30pm

[Click here to register for the webinar](#)

The DfE has set the expectation that by 2025, all schools and education settings have a Climate Action Plan. To help you navigate this initiative effectively, Leicester City Council have partnered with Let's Go Zero.

Introducing Climate Action Advisor's Jelly Moring and Jo Pettifer from Let's Go Zero, who will be providing an insight into the DfE guidance and assist in helping your school to create a bespoke Climate Action Plan relevant to your setting.

"I definitely didn't want any token gestures. These are brilliant, really practical measures."

Emma Johnson,
Headteacher,
Ravenshead CofE
Primary School

During the session there will be an opportunity to network with other schools in the Leicester City area in break out rooms. There will also be time to ask questions and receive expert advice.

Following the session the Let's Go Zero team can send out useful links and further guidance as required to support your school's journey to become net zero by 2030. We would love for you to join us and take Climate Action together!
